Pursuant to telegraphic orders from the War Department, dated September 11, 1917, this division is organized under the provisions of General Orders No. 101, War Department, 1917, as follows:

The 53d Infantry Brigade, consisting of Brigade Headquarters, the 105th and 106th Regiments of Infantry and the 105th Machine Gun Battalion, is organized as follows:

The 105th Regiment of Infantry (2d N. Y. Infantry), Brigadier General R. E. L. Michie, commanding, Colonel James M. Andrews and Lieut.-Col. Morris Liebmann.

The above order constituted the birth of the 105th Regiment of Infantry, U. S. A.

As yet it has reached only the childhood period of training, but it has profited thereby and is prepared to face the responsibilities of maturity and play its part in the great Game of War in which the destiny of the whole world is being settled.

HISTORY OF THE 2D REGIMENT NEW YORK INFANTRY, NATIONAL GUARD

The 2d Regiment New York Infantry, National Guard, was the descendant of the Second Provisional Regiment, New York Infantry, formed of separate companies from Troy, Schenectady, Amsterdam, Glens Falls, Saratoga, Whitehall, Hoosick Falls, Mohawk, during the Spanish-American War. The Mohawk Company was transferred to the 1st Infantry in 1900 and a company from Gloversville and Johnstown took its place. The regiment served on the Mexican border from June 19, 1916, to October 19, 1916, and was again called into the service (Federal) on March 25, 1917. It was placed on guard over the northern part of New York State, covering from Rome east to the Vermont line, and north to the Canadian border. After four months of this duty, it was reassembled at South Schenectady and moved to City Island station, New York City, August 23, 1917. It took part in the parade of the New York Division and embarked for Camp Wadsworth, S. C., September 27. It passed out of existence under G. O. 9, Headquarters 27th Division, October 1, 1917.
